Project Name:

- **Speak Together**

Project Idea:

- **Speak ٢ Gather is a digital platform that supports children with ADHD by helping families connect with specialized doctors and access structured guidance in a calm, organized way.**
- **The platform empowers parents to track their child's progress, receive expert tips, explore helpful blogs, join events, and interact with a supportive community.**
- **It also includes a simple Kids Area with ADHD-friendly games that encourage emotional expression and focus-building activities.**
- **Through a combination of specialist support, parent tools, and child-centered activities, Speak ٢ Gather creates a clear, warm, and reliable experience that helps families understand and support their children better.**
